

Travel Safety Checklist

Your go-bag checklist for exploring the lifestyle while travelling. Fill this out before every new destination.

 **Destination:** City, Country

 **Date:** MM/DD/YYYY

Essentials — Don't Leave Without

☐

Condoms (your own supply)

Never rely on anyone else's. Bring more than you think you'll need.

☐

Lube (travel-size)

Not always easy to find in every country. Bring your preferred brand.

☐

Cash in local currency

Always have cash. Cards can fail, and some venues are cash-only.

Amount: e.g., 2000 THB / \$100 USD

☐

Phone fully charged + portable charger

Your phone is your lifeline — location sharing, taxi apps, emergency calls.

☐

Hotel address written down

In case your phone dies. Write it on paper or save it offline.

Hotel: Name & address

Phone & Digital Safety

☐

Location sharing ON with partner

Google Maps, Find My, or WhatsApp live location. Always on.

☐ **Taxi/ride app installed & working**

Uber, Grab, Bolt, or whatever works locally. Test it before you need it.

App: e.g., Grab, Bolt

☐ **Burner phone or secondary SIM**

Optional, but useful if you want to keep your main number private.

☐ **Dating apps set up for this location**

Update your location on Feeld/Tinder. Check what apps are popular locally.

Local apps: e.g., Feeld, Tinder, local app

Safety Protocol

☐ **Local emergency number saved**

Not always 911. Look it up before you arrive.

Emergency #: e.g., 191 (Thailand), 911 (Mexico)

☐ **Nearest hospital / clinic located**

Know where to go if something goes wrong. Save the address.

Hospital: Name & address

☐ **Check-in time agreed with partner**

Set a time for a text or call, especially during solo play.

Check-in time: e.g., 11:00 PM

☐ **"Come get me" safe word set**

Different from the jealousy code word. This means "I need out — no questions asked."

Safe word: Our emergency word is...

☐ **Exit plan discussed**

How do you leave a venue quickly? Know your route, have cash for a taxi, keep your phone charged.

Venue Research

☐ **Lifestyle clubs researched**

Google "[city] lifestyle club" or "[city] swinger club." Check reviews and membership requirements.

Club(s): Names & addresses

☐ **Dress code / entry rules checked**

Many clubs have strict dress codes or couples-only policies. Don't show up unprepared.

☐ **Local laws checked**

Some countries have strict laws around sex work, LGBTQ+ activity, or even public displays of affection. Know before you go.

☐ **Safe meeting spots identified**

For first-time meets with new people — always a public place (hotel lobby, cafe, bar).
